It's not too late to find a daily meditation booklet to guide you on your Lenten journey. [Download your Lenten eBooks today!](#)

As we begin this holy season of Lent, let us look for new ways to experience God's tenderness and love. Explore the following resources and discover how you can grow closer to Christ with some of the most popular Lenten practices:

- Feel the presence of God at work in your heart with these [popular prayers](#).
- Put a [twist to traditional Lenten fasting](#) and focus on the seven deadly sins and their corresponding virtues.
- Try this [creative meditation](#) on the Passion Flower as a unique approach to the Stations of the Cross.
- Learn more about the practice of fasting with this [definitive guide](#).
- Find a wonderful treasury of [soup recipes](#) for each of the forty days of Lent.
- Discover [more Lenten resources](#)
